Re: SensorCom, Inc. v. Scitor Corp.  
Case No.: 1:09-cv-03143-JFM  
Our File No.: 8418.07

Dear Judge Motz:

As you may recall, at the conclusion of our trial on April 14<sup>th</sup>, you ruled from the bench, recognizing the urgency of the plaintiff's financial situation as a result of the non-payment for over three years. You requested memoranda on two issues: attorney's fees and pre-judgment interest.

We filed our memorandum; Scitor filed their response; we filed a reply. It is now May 12<sup>th</sup>, nearly a month since the ruling. As you know, SensorCom is in Chapter 11. To have any chance of surviving as an ongoing employer and contributor to the economy, SensorCom must get paid.

On behalf of my client, I respectfully request prompt consideration of the memoranda and a final ruling on the merits. I hope you do not consider this letter to be brash or rude, but my client's situation is precarious. Thank you for your consideration.

Respectfully Submitted,

HARTMAN AND EGELI, LLP
